RISK PHRASES				
R36/38: Irritating to eyes and skin				
S36/37: Wear suitable protective of POTENTIAL HEALTH EFFE				
ACUTE EXPOSURE EFFECTS				
INHALATION:				
Harmful if inhaled in high concentrat	ions. May cause respirato	ry tract irritation. May cause sensitization with repeated exposures.		
SKIN:				
Causes skin irritation/sensitization ir EYES:	n susceptible individuals; m	nuch more prevalent with prolonged and/or chronic exposure.		
Causes chemical eye irritation. May	cause redness and pain.			
INGESTION: Harmful if swallowed. May cause ga incoordination, headache, or confus		nausea, vomiting and diarrhea. May cause dizziness,		
CHRONIC EXPOSURE EFFECTS Caution! Chronic inhalation of produ	ct vapors may cause respi	iratory tract irritation and/or sensitization in a small percentage of		
the population. Chronic skin exposu	re may result in rash.

Seal-Krete Dura Shell (Part A) 228001 Dark Grey

SECTION 6 - ACCIDENTAL RELEASE MEASURES

STEPS TO BE TAKEN IN CASE MATERIAL IS RELEASED OR SPILLED:

Contain spill. If spilled in an enclosed area, ventilate. Wear proper personal protective clothing and equipment. Do not flush liquid into public sewer, water systems or surface waters. Recover as much as possible for reuse. Absorb remainder with an inert material. Place into labeled, closed containers for disposal. Wash the spill area with soap and water. Change contaminated clothes and launder before reuse. CAUTION: Spilled liquid and dried film are slippery. Dispose in accordance with local, state and federal regulations.

SECTION 7 - HANDLING AND STORAGE

PRECAUTIONS TO BE TAKEN IN HANDLING AND STORAGE:

Handling: Avoid eye contact. Avoid repeated or prolonged skin contact. Avoid inhalation of mists / fumes. Minimize contact with air to reduce contamination with mold, fungus, or other organisms which could cause decomposition or spoilage. Wash thoroughly after handling this product and before eating, smoking or using restroom facilities. Use under well-ventilated conditions. Storage: Keep container closed when not in use. Do not store in open, unlabeled or mislabeled containers. Do not allow product to freeze. Do not store over 120°F/48°C

SECTION 8	SECTION 8 - EXPOSURE CONTROLS / PERSONAL PROTECTION					
Component	CAS #	ACGIH Exposure Limits (mg/m3 unless otherwise noted)	OSHA Exposure Limits (mg/m3 unless otherwise noted)			
Dipropylene Glycol n-Butyl Ether	29911-28-2	NE	NE			
Propylene Glycol n-Butyl Ether	5131-66-8	NE	NE			
Triethanolamine	102-71-6	5	NE			
PERSONAL PROTECTION						
RESPIRATORY PROTECTION: Follow the OSHA respirator regulations found in 29 CFR 1910.134. Use a NIOSH/MSHA approved respirator if exposure limits are exceeded or if irritation or other symptoms are experienced. PROTECTIVE GLOVES:						
	o prevent skil	n exposure. Wear appropriate protectiv	e clothing to limit skin exposure.			
EYE PROTECTION: Wear appropriate protective eyeglasses or chemical safety goggles as described by OSHA's eye and face protection regulations in 29 CFR 1910.133.						
OTHER PROTECTIVE CLOTHING						
•	Facilities storing this material should be equipped with an eyewash facility and a safety shower.					
ENGINEERING CONTROLS:						
-	keep airborn	e exposure concentrations below the list	sted ILVs			
WORK / HYGIENIC PRACTICES: Employees should wash their hands and face before eating, drinking, or using tobacco products. Educate and train employees in the safe use and handling of this product.

MSDS Prepared by:

ChemTel Inc. 1305 North Florida Avenue Tampa, Florida USA 33602-2902 Toll Free North America 1-888-255-3924 Intl. +01 813-248-0573 Website: www.chemtelinc.com

The information contained herein is believed to be accurate but is not warranted to be so. Data and calculations are based on information furnished by the manufacturer of the product and manufacturers of the components of the product. Users are advised to confirm in advance of need that information is current, applicable and suited to the circumstances of use. Vendor assumes no responsibility for injury to vendee or third persons proximately caused by the material if reasonable safety procedures are not adhered to as stipulated in the data sheet. Furthermore, vendor assumes no responsibility for injury caused by abnormal use of this material even if reasonable safety procedures are followed. Any questions regarding this product should be directed to the manufacturer of the product as described in Section 1.
